This is what the students of Government ITI Women College- Kozhikode have to say.....

It is like an MBA Program, I am willing to pay Rs.20, 000 for the program even that is not enough – **Sheena,**

I missed the first day and when my friends told me about this, I joined them the next day and received lot of chocolates. 3rd day, my friends started putting their hands inside my pockets for chocolates. I can't thank them enough for having given me the confidence to dream and turn my Business idea into reality - **Suryaprabha**

I hate commerce though I took it because of parental pressure. 1st day, I felt bored and then I forced myself to come on 2nd day, I got too involved and loved it and when I discussed this program with my mother, she wanted me to learn everything so that we can start a dairy business – **Vismaya, she aspires to be the Panchayat Board President.**
