Intrapreneurship Training Workshop

National Academy of I Create India conducted a two day Intrapreneurship Training Workshop on 16th and 17th October for 16 employees of Optel Vision, Goa. Optel is a collective group of business units using common technologies, mainly in the areas of Optics, Electronics, Computer Science and Robotics. The workshop was facilitated by Ulhas Kamat, Nagendra Babu, Rachana Patni and Manish Gosalia.

Employees of Optel Vision, Goa during the workshop

An “Intrapreneur” is an employee with Entrepreneurial approach to Business. The knowledge gained at an I Create workshop in Finance, Marketing, Sales, Quality, Negotiating skills and Communication skills to mention a few, will greatly help the employee to contribute to the firm and increases the overall growth prospects of the Individual and the Company.

I Create training is thus not just for creating entrepreneurs but also provides advanced job skills to help the employee become an Intrapreneur in an organisation, small or large.
